## **Challenge Youth Conference**

### **UNASHAMED!**

This weekend several of our youth will be in Dallas for CYC. It is put on by Harding, Freed Hardeman, Heritage Christian, and Faulkner Universities. This year we will be challenged with lessons about being unashamed. Unashamed to confess our Lord Jesus, unashamed of the Gospel, unashamed to serve God, and unashamed to own Him. We want to ask you to pray for them this weekend to be encouraged in their faith and to be strengthened in their commitment to follow Jesus. Perhaps you need to be encouraged and strengthened as well! As you pray for the youth this weekend we also invite you to read the accounts of Stephen in the book of Acts, Nicodemus in the book of John, and Caleb and Joshua in the book of Numbers and think about the ways they were unashamed. We look forward to the fellowship, lifting of praise, and opportunities to learn and grow in the word together with hundreds of others at CYC. May God present all of us with opportunities to be closer to Him and may we be unashamed to act upon them.
