

CYC 2020

Challenge Youth Conference is an annual opportunity for students all across the brotherhood to join together for a program of solid and sound spiritual education. This program empowers our teenagers with sound teaching while challenging and encouraging them to live their life for Christ. This is a valuable gift for our teens who are growing up in a society that is largely indifferent to living a Christian life.

CYC 2020 focused on plugging into the power of God. We had a great weekend learning about the resources God gives all His children through His spirit, word, presence, church and the cross. We also had fun and enjoyed fellowship with new and old friends. Our students learned more about some Christian colleges. CYC is sponsored by Freed Hardeman University, Faulkner University, Heritage Christian University and Harding University. Thank you for making it possible for our SGY teens to take advantage of this great opportunity.

Over the next few weeks we will be sharing some of the lessons we learned at CYC. We hope you look forward to plugging into the POWER. - The Yarbroughs
