

POWER!CYC

Challenge Youth Conference

Acts chapter 8:26 begins a story we can read about Phillip and the Ethiopian. Many aspects of God's power are on display throughout the account. Phillip was told where to go by an angel of the Lord. God uses his power to give us messages. The Ethiopian was reading the book of Isaiah the prophet. God speaks to us through the Bible. The spirit tells Phillip to stay near the Ethiopian's chariot. If we live by the spirit, we will be looking for opportunities to be spiritual. God's power is compelling. People have always been drawn to it and drawn by it. At CYC we saw that in the many different groups and leaders that assemble. When we gather with each other to glorify God for his power we find out that we have things in common. God has done things for each of us. Sometimes the same things. Sometimes someone else's story inspires us to live by God's spirit more. We met old and new friends and exchanged stories and were strengthened, uplifted, and encouraged by what God's power has been doing in our lives. Look for it! Listen to it! The power of God is on display every day! We hope you enjoy hearing what Southgate's youth experienced at CYC.
