

"Senior Sunday"

May 13, 2018

Each year Southgate takes time to honor and bless the high school graduates who attend our congregation. We have a long and beautiful tradition of presenting the graduates with a Bible from our church family. One of our elders also prays over our students on this special day of celebration.

On Senior Sunday we gather for a meal after morning worship. The Fellowship Hall is very festive with decorations and displays for each senior. This year each senior will also have a box for cards and a laundry basket where you can drop off gifts.

High school graduation marks a major transition in the lives of our students. Please help us shower them with love and praise for their achievement by sharing in all the fun of Senior Sunday.

Plan to join us for a potluck meal with the Class of 2018 and their families following morning worship. Meat, beans and dessert provided. Please bring side dishes.
