

BEEN WITH JESUS

After Peter and John healed the lame man at the Beautiful gate, and after Peter gave his great answer to the High Priest, the leaders of the Jews heard Peter and John. They saw their courage and they noticed there was something unusual about them.

Acts 4:13 says... *“Now when they saw the boldness of Peter and John, and perceived that they were uneducated, common men, they wondered; and they recognized that they had been with Jesus”.*

The only explanation they had was *‘they had been with Jesus.’* Isn't that great! Jesus had changed them. This is what should happen to us when we are close to Jesus. We should look like Jesus and act like Jesus. Jesus should rub off on us.

When people see you, do they think you have been with Jesus? They should, you know.

Paul
