

BIG DAY!

Our calendars are full of important days. Monday, June 15th was a great day at the Shero house. 52 years ago two young kids named Paul and Patsy got married.

What a blessing it has been! God really knew what He was doing when he created marriage. Patsy has been so good to me. Whatever success I have had and whatever good I have done, the lion share of the credit belongs to Patsy. She is my friend, my companion and the love of my life.

I remember thinking at the ceremony that I was too young for all this. For a moment, I thought it was a mistake. Then I saw her and stood in amazement as she smiled and with tears in her eyes, made her vows to me. I knew then and I know now it was and still is a really smart decision.

God was sure right when He said, "It is not good for man to be alone." Thank you Father and thank you Patsy.
