

# Happy Father's Day!...

This is a personal article for me. Let me give you some reasons why we should honor our fathers—our daddy's—the 'old man!'

Because he taught us how a real man loves a woman—our moms. He taught us how a real man goes hungry till his family is fed. He quietly showed us how a man goes without nice clothing so his kids could have better things. He taught us how a he-man drives an old pickup or car so his wife could have a new one. He taught us that if you do something wrong there will be consequences for it. He taught us that the kingdom of God is more important than earthly things.

We need to honor our fathers because they illustrate to us what a real leader looks like. Not the leader who walks at the head of the band and barks out orders and shows off bright and shiny clothes. But the quiet leader who works in the background and helps the family make the best decisions. He is always there to give advice and guidance.

Thank God for our fathers in the flesh, and thank God for our heavenly Father because of Jesus!
