

WHAT DO YOU LIVE FOR?

I Timothy 4:7-10 says... *“Have nothing to do with godless and silly myths. Train yourself in godliness; for while bodily training is of some value, godliness is of value in every way, as it holds promise for the present life and also for the life to come. The saying is sure and worthy of full acceptance. For to this end we toil and strive, because we have our hope set on the living God, who is the Savior of all men, especially of those who believe.”*

There are rules we live by. Some are essential and some aren't. Some people avoid black cats. Others avoid saturated fats. Some people make sure they exercise, but the wise train themselves to be godly.

To strive to be in fellowship with God has immediate benefits and eternal rewards. Godliness is worth the effort. Work for it! Live for it! The Godly person puts his hope in God.
