

“Camp Blue Haven 2018”

“This year at Blue Haven was honestly one of the best. At first I was a little upset because I was taken out of the cabin I am usually in but I realized God put me with the lovely ladies of Cabin 16 for a reason.

My counselor this year was Macy and I learned a lot from her. On Sunday night we had our first devo as a cabin and Macy asked us the question, “Why did we think God put us here this week?” At first I didn’t know but as the week went by I had realize that I have been finding my identity in things other than God and it was preventing me from deepening my faith and getting closer to Him.

The most impactful night of the week to me was Early Christian Worship on Thursday. Kevin Schafer was the speaker and he talked about why we call Jesus the Lamb of God. He brought a totally new perspective that was very moving.

Overall, I have realized that I am a child of God and His blood covers me. For the first time after camp I am not just on a spiritual high for God, I am hungry for Him and His word. I am so excited to see how he works in my life this year!” – Ciera Lopez

“Camp Blue Haven was an amazing experience that rivals, if not surpasses my experience at Manuelito. Though they were different, they both have taught me many things. I made many new friends and strengthened relationships. The hikes we went on were challenging but fun and I was able to have multiple conversations with people I did and did not know.

We had meaningful and personal conversations in class and devo’s. We played games, quoted movies, and had fun. The evening activities were very entertaining and fun. My counselor, Landon Camp, made our environment comfortable, welcoming and enjoyable.

To close this note, I will never forget my time at Camp Blue Haven and I hope to have made lifelong friendships from this time.” – Bradley Carnes
