

Christmas for Kids 2019!

Southgate has partnered with the Children's Advocacy Center of Tom Green County for several years now. One of the projects we assist them with is their Christmas for Kids campaign. This program helps provide Christmas gifts for abused and neglected children in our community. At Southgate, we collect and donate toys for children of all ages. Monetary donations are gathered and our kids shop for the kids that the advocacy center serves. SGY takes the gifts to the advocacy center, where they are sorted and laid out for the children and their families. We participate in this general collection to help them stock up. We will be collecting at Southgate through December 8. Thank you for joining in the joy as we help show love to some kids that need it! Individuals can also sign up to shop for a specific child. Information can be found at www.cacgreaterwtx.org
