

A-CAROLING WE GO!

Carol:(verb). To sing in a loud, joyous manner. To sing or say something happily. To celebrate!

Christians have something to celebrate!
Christians have something to say and be happy about! Christians have reason to be joyous! This makes it sound like we should DO something with *what* and *who* we know. We should share and we should tell! Sometimes this may seem challenging or scary.

In Matthew 28 two women went to look at Jesus' tomb and an angel told them of His resurrection. (8) "...they were afraid yet filled with joy, and ran to tell..." In 1 Thessalonians 2:8 we see that loving people resulted in sharing not only the gospel with them, but also your life. Philippians 2 speaks of imitating Christ's humility, ultimately valuing others above yourself.

This is what we should DO! Is there someone that doesn't feel valued? Let's put them above us, showing them how God values them. Share your life. Someone needs to see Christ working in your life because they're not sure he can work in theirs. We may be afraid like the women at the tomb, but since we are also filled with joy, we can run to go tell someone!

It can be hard to get started. It can be challenging to think of ways to share love with others. It can be hard to go alone. How about going with a group? We'll even drive you! How about starting with spending time encouraging others with your presence, happily and joyously celebrating Christ's love by sharing with them? Join us on Saturday the 14th. Tell Kurt Chunn to sign you up! It is not about singing pretty. It is about going. It is about sharing! A-Caroling We Go!
